Dear Mr. Wonderlich,

I have received your fax this morning. Thank you for your prompt response to my letter that requested an amendment of 47-8406 and relinquishment of 47-8410. I will be working towards a final disposition for both rights here in the state office, so please send any correspondence to me in the Boise office. I will set these aside for 30 days. Please submit any information that you have within that time or an order may be issued to void 47-8410. Thanks again and have a great day.
