Notice is given that Ross Bond, Jr., 10395 Bonnie Ln, La Mesa CA 91941, filed application for permit #74-15701 has been amended. The decree minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water are established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because the diversion .10 cfs / .5 AF and recreation, recreation storage and diversion to storage use will be applied to the subordination amounts specified in the decree for the Wild and Scenic River listed above.

The permit will be subject to all prior water rights.
