Re: Bokma Notice of Change in Water Right Ownership
Project No. 1165-01-2012

Dear Allen:

Enclosed with this letter is a notice of change in water right ownership for water right nos. 47-7865, 47-10751, and 47-10752. This application seeks to fix the water right ownership of rights located in NWSW, Section 11, T11S, R17E, Boise Meridian. Djo Bokma is listed as the current owner for these rights; Djo Bokma passed away in May 2006. The warranty deed signed by Mrs. Bokma as the Peter Bokma Testamentary Trust Trustee on 2/26/1998 conveys the property, water, and water rights in NWSW Sect. 11, T11S, R17E, Boise Meridian to William P. and Valerie J. Bokma. These three rights are all appurtenant to this property.

Water right no. 47-7865 was licensed on 6/6/1995 and water right nos. 47-10751 and 10752 were partially decreed in the SRBA on 5/21/1999. According to the Warranty Deed, the ownership of these three rights should have been transferred to William P. and Valerie J. Bokma in 1998. Therefore, it is the wish of William and Valerie Bokma to fix the ownership through this application.

An aerial photograph and map of points of diversions and place of use is included. A filing fee of \$25 per water right is included for a total of \$75. If you have any questions pertaining to this ownership change, please do not hesitate to contact me.

Sincerely,

G. Erick Powell, Ph.D., P.E.
