WATER RIGHT NO. 37-20384

6. The right holder shall not provide water diverted under this right for the irrigation of land having appurtenant surface water rights as a primary source of irrigation water except when the surface water rights are not available for use. This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.
7. Place of use is within the service area of the City of Carey municipal water supply system as provided for under Idaho Law.
8. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.
9. The issuance of this right does not grant any right-of-way or easement across the land of another.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 22nd day of March, 2012.
