

MEMORANDUM

Date: March 01, 2012
To: Water Right File 65-22948
From: shemenway
Re: Motion from Attorney

Dana Hofstetter called, and stated that she will be faxing a motion to include the SENE in the POU. I am not sure why ArcMap did not include it in the POU shapefile, since it is clear that it should have been included in the POU legal.
