RE: Water Right Permit No. 65-22948 Review of Petition for Reconsideration

Dear Permit Holder(s):

The Department of Water Resources reviewed the Petition for Reconsideration received on March 2, 2012, requesting the addition of SE1/4NE1/4 of Section 8, Township 8 North, Range 5 West to the place of use for this license. Changes that do not increase the authorized use of water under the permit can be requested and approved in accordance with Section 42-211, Idaho Code.

I have enclosed a copy of the Amended Application for Amendment for License which depicts the elements of the water right as they will appear on the amended license when it is issued. Please review the amendment form carefully. If you concur with the information presented, please sign the form and return it within 14 days, before an amended License can be issued.

If you have any questions, please call me at (208) 287-4920.

Sincerely,

Sandy Hemenway
Sr. Water Resource Agent
