ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 29-07936 with the following:

CONDITIONS OF APPROVAL

1. Construction and operation of the diversion works shall not increase the flow of the spring beyond the current level of discharge. The applicant shall not excavate or drill a well to increase the head or discharge of the spring.
2. If the use of water causes a reduction of head or flow available to prior water rights, use under this right must immediately cease.
3. Use of water under this right is subject to control by the watermaster of State Water District No. 29.
4. When notified by the Department, the right holder shall install and maintain a measuring device and lockable controlling works of a type acceptable to the Department as part of the diverting works.
5. Place of use is within the city limits of Lava Hot Springs.
6. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.
7. Use of water under this right shall be non-consumptive.

Witness my hand this 19th day of March, 2012.
