To Whom It May Concern:

Please find enclosed the Notice of Change in Water Right Ownership application for Water Right 98-7097.

It appears the water rights were not transferred from Kenneth and Karen MacDonald to Ernest Copp. Enclosed you will find a notarized, Assignment of Permit, for this transfer. It appears this was not filed with your department. We are submitting this document in place of a deed of transfer for the property.

Enclosed also is the Warranty Deed from Ernest A. Copp to Gene and Patricia Andrews, an aerial photo showing the irrigated acres, and a check for the \$25.

Please let us know if you have any questions or further information is necessary.

Thank you for your time in this matter.

Sincerely,

Gene Andrews
