Subject: Notification regarding Water Rights for Lacey Vista Acres Water Corporation (Bannock County)

Dennis Dunn, IDWR (IDWR - Idaho Falls)
From: James Sieverson, President, Lacey Vista Acres Water Corporation
Subject: Notification regarding Water Rights #29-7607 and #29-11962

I am writing to IDWR in my capacity as President of the Lacey Vista Acres Water Corporation (PWS # 6030029) – a nonprofit corporation that supplies drinking water to 60 homes in the Lacey Vista Acres subdivision located northwest of Chubbuck, Idaho in Bannock County. Thank you both for talking with me by phone earlier today.

To recap our phone conversations, I have learned that a disgruntled corporate Board member, J. Fredrick McDaniel, may be contacting IDWR to relinquish or take some other detrimental action affecting either or both of the existing water rights that are critical to our ability to supply drinking water to our neighbors. The purpose of this email is to advise IDWR that neither I nor the Board for the Lacey Vista Acres Water Corporation have authorized Mr. McDaniel to represent the Corporation in any dealings with IDWR (or, for that matter, any other State agency).

I certainly hope that Mr. McDaniel already has reconsidered - or will reconsider - his threatened action and will not attempt to contact IDWR. If possible, please let me know if you are contacted by Mr. McDaniel. My home email is bsieverson@cableone.net and my phone numbers are 208-237-1029 (home) or 208-2451-8212 (cell).
