To: Members of the District
Subject: 2012 Assessment

The Lemhi Irrigation District (LID) is a property taxing district representing water users in the Lemhi Basin. As you know, LID is involved in litigation trying to protect high water rights and the groundwater table for all the members. Our primary objective at the current time is to maintain the General Provisions of the Lemhi Basin Adjudication. January 3, 2012 Judge Wildman in the SRBA Court upheld the Special Master's ruling that Lemhi water users can use high flows via a General Provision.

At the general membership meeting January 11, the membership voted to assess \$1.50/irrigated acre for 2012. A \$5/member clerical fee will also be charged. We have made every effort to update the member database. There are undoubtedly some errors. If there are errors on your bill, or we have double-counted any acreage, please contact us and we will correct it.

If you are a water right holder, **this is your bill**. Remit your check in payment to: Lemhi Irrigation District; 260 Withington Creek Road; Salmon, ID 83467. Your check is your receipt. Those in WD74 will also receive a bill from Vicki Armstrong. **That is a different bill.**
