RE: Ownership Change Water Right No. 63-3483P

Dear Applicant:

In an attempt to clean up our database, the Department of Water Resources came across a receipt from you for an ownership change of the above mentioned water right. After further review, it was discovered the change was not completed. Unfortunately, the Department cannot find the application and required deeds to make this change.

Enclosed you will find a Notice of Change in Water Right Ownership form, receipt and a copy of the water right report. Please sign the form, fill in the highlighted information and submit it with the required warranty deed. No fee is required. As soon as the Department receives the paperwork, we can process this request for an ownership change.

The Department apologizes for the inconvenience and appreciates your patience and cooperation in this matter. If you have any questions concerning the enclosed information, please contact this office at (208) 334-2190.

Sincerely,
