RE: Ownership Change Water Right No. 63-3483P

Dear Interested Parties:

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership on July 20, 2007. In an attempt to clean up our data base, we realized your request was never completed. A letter was sent on January 14, 2011 requesting the information needed to complete your request. On September 19, 2011 we received the application but no warranty deed. An email was sent on December 14, 2011 requesting this information. As of today's date, we have not received the required information.

We are returning the Notice and its attachments. If you would like to file this in the future please send the completed form with all required documents to the address above.

If you have any questions regarding this matter, please call this office at (208) 287-4800.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
