RE: Notice of Change of Ownership in a Water Right No.:

Dear Property Owner(s):

Enclosed is the Notice of Change in Water Right Ownership that you recently submitted to our office. We cannot continue to process the request without the water right number and signatures of the new owners.

We are required to have original signatures from the new owners in order to process ownership changes. We have enclosed an updated ownership change form. Please fill in the highlighted areas and return this page to the address above and we can complete this ownership change.

Because the Department cannot process the change of ownership without the proper paperwork, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" and last name "Hersley" clearly distinguishable.
