Re: Water Right No. 57-278

Dear Dan and Rose:

This letter confirms receipt of your ownership change information for the above referenced water right. The ownership change will be processed to show you as the current owner noted by the non-merger deed you provided.

Thank you for providing that follow up information to clear this up. This office will send you the results for your records when processing has been completed. Meanwhile, please let me know if you need more information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Lester', is written over a horizontal line.
