RE: Water Right No(s). 79-7008

Dear Property Owner(s):

Thank you for submitting the Notice of Change of Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is a copy of the conveyance document- warranty deed, quitclaim deed, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.

Also enclosed is the current Notice of change in Water Right Ownership form for our Department. You will need to sign and date it and return it with a copy of your deed and a \$25 filing fee. Fees are required for all water rights decreed in the Snake River Basin Adjudication process.

Because the Department cannot process this request without proper information and fees, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
