Thanks Ann,

That does complete the questions I had for you. I will still need the amendment (copy attached) signed and submitted with the \$100 filing fee before I can move forward to issue the license because we are still including some QQ's that weren't originally on the permit.

Short of that, I think I have everything I need.

Thanks,  
Craig

Hi Craig,

I have attached the letter, page 1 of the permit and b/w copy of the map, that I intend to send to you in todays mail. Can you please let me know if this completes the questions you had for us on finalizing this permit application? I believe the questions as to deliver that were not covered in the narrative are taken care of with the acceptance of your QQ suggestions, which we understood and agreed to.

The mailing will have a color map.

Thank you for your help with this process.

Ann
