Dear Mr. Van Dyke,

Reg; Berasi and Andrews's water right transfers

In order to conserve water and improve flow and connectivity in Kenney Creek, The Nature Conservancy has been working with Gail Andrews and Bob Berasi in an effort to move their water rights out of Kenney Creek and into other sources of water. Please find the enclosed application for a transfer (Berasi) and exchange (Andrews) for points of diversion. If you have any questions or concerns, please do not hesitate to contact myself or the applicants.

Thank you for your consideration of these applications.

Sincerely,

Ron Troy
