9a. Who owns the property at the point of diversion? If other than applicant, describe the arrangement enabling the applicant to make this filing.

APPLICANT

9b. Who owns the land to be irrigated or place of use? If other than applicant, describe the arrangement enabling the applicant to make this filing.

APPLICANT

10. Remarks:

Pump water from a natural pond for irrigation. Natural pond fills with river water in the spring time during high flows. Water from the natural pond drains to the river later in the year at times of low river flows.

Have not and do not intend to make any physical changes to the dimensions of this pond, therefore storage of water will not occur under this right. Water to be used at River Pond campground.

11. Map of proposed point of diversion and place of use attached? ☐

BE IT KNOWN that the undersigned hereby makes application for permit to appropriate the public waters of the State of Idaho as herein set forth.

Boyd Lyon

RE: Application for Permit No. 65-23477

Dear Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. A copy of the application is enclosed with this email for your reference. Please review the application, complete the enclosed recommendation form, and submit your reply, if any, to this office within 30 days.

The protest deadline for any interested party is April 9, 2012. A written protest and the \$25 filing fee must be received by 5:00 p.m. that day in order to be recognized by IDWR.

IDWR will assume you do not object to this application if a timely response is not received. Please contact me if you have any questions in this matter. Thank you for your help.

Sincerely,

Steve Lester
Water Rights Supervisor

Contacts: Rick Ward

Rick:

Attached is information for 3 new applications for your review.

51-13098 is a wildlife project near Bruneau where no additional water from the river is proposed. Instead, they describe an alternate use of existing irrigation water until irrigation kicks in by June 15.

65-23477 proposes use of an existing pond.

Please let me know if you need more information. Thanks.

RE: Application(s) for Permit No(s). 51-13098, 65-23477, 67-15067

Dear Mr. Ward:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from your agency regarding the above referenced water right application(s). A copy of the application(s) is enclosed with this email for your reference. Please review the application(s), complete the enclosed recommendation form(s), and submit your reply, if any, to this office within 30 days.

If your agency desires to formally protest approval of this application(s), you may do so by filing a written protest along with a \$25.00 filing fee for each protested application by April 9, 2012.

IDWR will assume your agency does not object to this application(s) if a timely response is not received. Please contact me if you have any questions regarding the application(s). Thank you for your help.

Sincerely,

Steve Lester
Water Rights Supervisor

RE: 63-23477 APPLICATION FOR PERMIT AMENDMENT

Dear George

I have been reviewing the application and noted that the section was identified as Section 15 rather than Section 16. The ArcMap clip to the right shows the property in question. I am enclosing an amended application showing the corrected section and a copy for your records. Please review the application to confirm that that form as data entered reflects your intent. If the application is satisfactory please sign and return it to this office, (attn Kelly).

After receiving the amended application I will continue processing toward advertising.

You can reach me at 208-334-2190 (ask for Kelly) and we can discuss the amended application in greater detail.

You may also reach me by e-mail at the address shown below.

Sincerely

Kelly K Christensen
Sr Water Resource Agent
