PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 96-9486

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208)762-2800.

Sincerely,
