RE: Change in Water Right Ownership for Permit Nos. 95-9376 & 95-9377

Dear Interested Party:

The Department of Water Resources has reason to believe that you may be the new owner of both water right permits mentioned above. These permits are currently in the name of Jason Plummer, and are considered the personal property of Jason Plummer. If you are the current owner of the permits listed above, and it is your intent to change the name of the permit holder of record from Jason Plummer to Raykosi Group LLC, assignments of permit form must be filed with the department along with a \$25.00 fee for each permit.

Correspondence mailed to Jason Plummer was returned, and we have no forwarding address for him. If you are able to contact the previous owner of this property, Jason Plummer, he is the one that will need to assign ownership of the above mentioned permits over to you and pay the assignment fees. Enclosed for your convenience are two Assignment of Permit forms.

I am also enclosing copies of these permits for your reference, along with a copy of the proof due notice that the department attempted to send to Jason Plummer. Proof of beneficial use is due May 01, 2012. If no response is received from you, these permits will lapse and your authorization to develop and/or use these water rights will be cancelled.

Section 42-248, *Idaho Code* requires that all persons owning or claiming ownership of a water right shall provide notice to the department of any change in ownership of any part of a water right or any change in the owner's mailing address.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
