Re: Notice of Change in Water Right Ownership, No. 95-8392

Dear Mr. Carrier:

The Idaho Department of Water Resources is in receipt of the notice in change of water right ownership for water right 95-8392, but before processing can begin additional information is needed.

The water right is in the name of Goldan Inc., an Idaho corporation, whose principals were Leo McGavick, President and Joan McGavick, Secretary/Treasurer. The Department needs a deed or real estate transaction that transfers the ownership from Goldan Inc. to Paul Greenwood. Also, if you purchased Algoma Water Company, you may want to consider having the water right in the name of Algoma Water Company.

Please provide the additional information within the next 30 days so as not to delay processing and if you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
