RE: Change in Ownership for Water Right No. 96-8392

Dear Interested Parties:

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership on July 8, 2008. After reviewing the request, it was determined that a warranty deed would be required to complete your request. A request was sent on July 8, 2008 and again on February 11, 2009 and to date we have not received the required documents to process this change.

We are returning the Notice and its attachments. If you would like to file this in the future please send the completed form with all required documents to the address above.

If you have any questions regarding this matter, please call this office at (208) 287-4800.

Sincerely,

Jean Hersley
