Hi Denise,

A farmer in close proximity contacted me about this transfer. I have to look into the original water rights before I can comment. It will take me a few days.

Thank you.

Attached is a cover letter and a copy of an application for your review &/or comments. If you have any questions regarding the attached information, please do not hesitate to contact our office. *Please note,*

this application is associated with Transfer No. 77601; which was sent to you for review, on February 24. The department did not have the most current version of the application at that time.

Thank you in advance,
