RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 74-321Y

Dear Interested Parties:

On December 21, 2011, January 14, 2012 and last month the department contacted you about resubmitting your ownership change the department received in April of 2010, as of today the department has not received another application and supporting documents in order to complete the change in ownership. Because the department cannot complete your request without proper documentation, I am requesting a refund for receipt number E035717 in the amount of \$100.00. The refund should arrive from the state office in a couple of weeks.

If, at a later date, you wish to reinstate this request you may send a ownership change request form along with the required information and fees and we will be happy to complete the request for you.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
