Dear Ms. Skaggs:

Thank you for your kind consideration in contacting me to answer my questions.

My husband, Cary Lee Childress, and I, Denise Travis Childress, bought the above home and understand that we should change the name on the "Permit To Appropriate Water" from the former owner to our name. An integral part of the sale to us was the existing property permits. One of these permits was the above "Permit to Appropriate Water," No. 96-08723, from the James Fenton Family. We were given the Original Permit, a copy of which is enclosed.

Enclosed with this letter please find:

1. A completed form, Notice of Change in Water Right Ownership, State of Idaho, Department of Water Resources, signed by my husband and myself.
2. A copy of the Original Permit to Appropriate Water: No. 96-08723, and we were told **that there was no "split" of this water right.**
3. A Copy of the Recorded Warranty Deed.
4. A copy of a recent plat survey of our property by Ruen-Yeager & Associates, Inc., consulting Engineers - Land Surveyors Planners
5. A Check for \$25.00 made out to the State of Idaho, Department of Water Resources.

Please let me know if you need any further information to Change this Water Right Ownership into our name.

Thank you very much,

Denise Travis Childress Phone: 1-208-265-9963 Cell Phone: 1-208-304-0545
