Subject: Permit 63-31243 – Licensing Amendment

Dear Mat:

Please find enclosed a signed *Application for Amendment* prepared by IDWR during final processing of Permit 63-31243 prior to licensing. We also enclose a check for \$100.00 for the fees associated with the amendment.

The amendment is consistent with our findings in the beneficial use field report submitted August 4, 2010. Thank you for your attention to this matter, and we look forward to reviewing the final license for this water right.

Please contact me with any questions or comments concerning the amendment.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roxanne".
