RE: Assignment of Permit for Water Permit No. 86-11924

Dear Permit Holder(s):

The department acknowledges receipt of the assignment of permit changing ownership of the above referenced water right to you. The department also acknowledges that the assignment of permit form received by the department February 13, 2012, inadvertently listed the address of the previous owner.

The department has modified its records to reflect the change in ownership and has updated the addresses of all current owners of the above referenced permit. Enclosed is a computer-generated report of this change for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Darla Block
Technical Records Specialist
