Dear Mr. Marshall:

Mike Telford a member of Telford Lands, LLC, CIF #55515-441, has notified Farm Credit Services regarding his pending application to lease a portion of his water rights to the Water Supply Bank of the Idaho Department of Water Resources. It is also our understanding that this lease of water rights application needs consent from mortgage holders who have liens on the ground associated with the specific water rights involved. After my discussion with you regarding the benefits to the water rights owner, Farm Credit Services does not object and gives full consent to pursue the completion of the application.

Upon receipt and approval of Mr. Telford's application, would you forward a copy of the completed application to our Burley office of Farm Credit. Should there be any additional questions or concerns, please give me a call.

Sincerely,

Robert E. Blakeslee
