RE: Application to Appropriate Water Nos. 72-7577 and 72-7578
Application for Transfer of Water Right No. 67067 (previously no. 5647)

Dear Mr. Thomsen:

Thank you for the prompt response to our letter dated February 16, 2012. In your letter of March 1, 2012, you indicated that Luper and Von Morganroth have resolved their dispute and that the Luper's have agreed to assign the applications to Von Morganroth.

In order to complete the assignment of interest in the applications for permit and application for transfer, the Assignment of Application for Permit and an Assignment of Application for Transfer forms must be completed. I have enclosed copies of each form for your convenience.

The Luper's also have 2 other applications for permit which are numbered 72-7579 and 72-7580. On the assignment form, please indicate all applications for permit that should be assigned to Lois Von Morganroth.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Emalee Rushing
Administrative Assistant
