Cherie,

Thanks for the call this morning regarding our address change.

I'm on the Board of Directors of Canyon Estates Property Owners Association. Our original water right is 11-7640 that was recently split into Water Right 11-7718 & 11-7719. We recently received a letter from you regarding water rights that was addressed to an old address.

Please change our address to:

Canyon Estates Property Owners Association
975 Canyon Estates Drive
Fish Haven, ID 83287

Thank you,
