Hi Darla,

Thanks for your prompt reply. I see, Mr. McFarland looked at the form and thought the address line referred to his address. When I reviewed the assignment form, I read the form the same way Mr. McFarland did and thought it was filled out correctly. I apologize for the mix-up.

The main correspondence address should be to myself at:  
John A Gravelle  
PO Box 603  
Juliaetta, ID 83535

Just in case you need address of records all parties involved, they are:  
Matt P Gravelle  
834 West C St  
Moscow, ID 83843

Paul J Gravelle and Carolyn M Gravelle  
PO Box 286  
Juliaetta, ID 83535

Thanks again!

John
