Re: Water Bank Lease and Rental Applications

Dear Ms. Van Bussum:

Please find enclosed with this letter a rental application for 1.78 cfs and 167.0 AF of groundwater. United Water Idaho Inc (United Water) wishes to withdraw the rental water from the Micron Oregon Trail well for municipal use.

Additionally, United Water recently requested that the Department allow a portion of water right 63-8236 to remain in the Water Bank (letter dated January 19, 2012 and associated fee). The portion of water right 63-8236 that United Water would like to continue to lease to the Water Bank is equivalent to the amount requested in the enclosed rental application, and it use under water right 63-8236 that United Water would like to rent.

Sincerely,
