Subject: NIA claim 95-15551

Hey Lori,

It has come to our attention that claim 95-15551 is probably claiming a portion of permit 95-10027. Are you all notifying the claimant when we you run across this sort of thing?

If so, could you send the claimants of 95-15551 a letter telling them they could amend their claim to claim a portion of 95-10027.

The details of the story are this:

We sent proof due notice to permit holder, Paul and Judith Wood. Mr. Wood called and told us that the permit is for two lots and one is now owned by his sister, and the other is owned by Peter and Linda Fucone. So Darla is sending both of the new property owners and assignment of permit.

However, the Fucone's filed NIA claim 95-15551. They probably should be given the opportunity to amend their claim to reflect the permit.

Or if this is something we just would note in the claim to bring up at the time we review the recommendation, that is sufficient as proof has not been submitted yet for permit 95-10027 and if it isn't, the permit will lapse.

Thanks,

c
