RE: APPLICATIONS TO LEASE WATER RIGHT NOs. 35-7914 and 35-7973 TO THE WATER SUPPLY BANK; APPLICATIONS TO RENT WATER FROM THE WATER SUPPLY BANK

Dear Applicant:

On June 19, 2008, the Department received applications from you to lease Right Nos. 35-7914 and 35-7973 to the Water Supply Bank. Also on June 19, 2008, the Department received an application from you to rent water from the Bank. In December 2011, the Department received a further 7 rental applications from you.

A previous conversation with your consultant indicated you were likely to pursue a different avenue for your water use needs. I sent my last letter on February 9, 2012, indicating the Department would return the applications in 14 days if we received no further correspondence from you. No correspondence has been received and we are returning all rental applications and the two lease applications to you.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
