RE: Change in Address of Water Right No. 25-7038

Dear Mr. Ricks:

The Department of Water Resources acknowledges receipt of your faxed Change in Water Right Address. Our review of your notice indicates that additional information is required before we can process the change.

 X **Signature** an original signature is required. Please send the original form to IDWR.

 X **Evidence of Water Right Ownership:** copy of document indicating you are the representative of the Association and ownership of the property and/or water rights in question

Because the Department cannot process the change of address without proper documentation of Highway Estates Water Users Inc. filed with the Idaho Secretary of State, we will hold any action on your notice pending receipt of the necessary information. The Secretary of State shows that Highway Estates Water Users Inc. was forfeited in 1990.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Danni M. Smith
