

MEMORANDUM

Date: February 24, 2012
To: Water Right File 45-13493
From: amerritt
Re: license

Issued this day. Note that the use was permitted as wildlife and stockwater with a volume for a pond. Essentially that what was developed. In licensing I corrected the use to wildlife storage and stockwater storage to conform with current descriptions for these types of facilities. No amendment for changing this description was sought.
