	L1																

CONDITIONS OF APPROVAL

1. Domestic use is for one home and shop/guest house, including heating and irrigation of up to 1/2 acre. When combined with all other domestic water rights for the home, the total use shall not exceed 13,000 gallons per day and irrigation of 1/2 acre.
2. Low temperature geothermal water diverted under this right shall not be used for lawn irrigation or any other component of domestic use unless it is first used for heating purposes.
3. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 27th day of February, 2012.
