Re: *Permit to Appropriate Water No. 72-16644*

Dear IDWR:

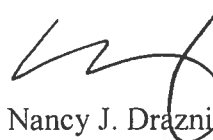

We hereby request that you conduct a field inspection with regards to the above-referenced Permit to Appropriate Water, which has a priority date of September 29, 2003, in order to perfect that permit into a Water Right License.

We further request that you change our address and telephone number with regards to the above permit, as well as with regards to our other two existing Water Right Licenses Nos. 72-07521 and 72-07532. Our current contact information is:

Ken E. Nagy and Nancy J. Draznin
508 West Chestnut Street
Genesee, Idaho 83832
Telephone no. (208) 301-0126

Please feel free to call or write if you wish to discuss these matters.

Very truly yours,

Ken E. Nagy,

Nancy J. Draznin
