RE: APPLICATION TO LEASE WATER RIGHT NOS. 35-2382, 35-2142, 35-7541, 35-10359, 35-13993, 35-13995, 35-13997 AND 35-13999 TO THE WATER SUPPLY BANK

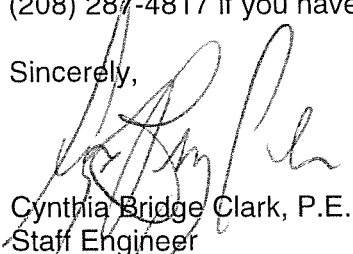

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your applications to lease the above-referenced water right numbers to the Water Supply Bank ("Bank"). The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptances. If you do not agree with the conditions of the Lease Acceptances and would like to withdraw your water rights from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The Lease Acceptances for water right numbers 35-2382, 35-2412, 35-7541 and 35-10359 reflect a lease period from April 1, 2008 through June 21, 2009. The rights were subsequently split and the leased portions reflected by water right numbers 35-13993, 35-13995, 35-13997 and 35-13999. Lease Acceptances are provided for the split rights which reflect a lease period from June 22, 2009 through December 31, 2013. These rights will automatically be released from the bank on **December 31, 2013**, unless the rights are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the Bank, you must submit a request in writing to the Department prior to the release date.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me at (208) 287-4817 if you have any questions.

Sincerely,

Cynthia Bridge Clark, P.E.
Staff Engineer
