RE: Change in Ownership for Water Rights 34-39, 34-40, 34-41, 34-4037, 34-10462, 34-10464, 34-13751, 34-13753, 34-13755, 34-13757, 34-13759, 34-13876

Dear Mr. Holbrook,

To follow up our phone conversation on 1/26/2012, there are several areas within the place of use of a number of the rights above that are not within the property described by the warranty deed submitted (copy enclosed). Specifically, those areas are in the NESE and NENE of Sec 14 T6N R25E and the SESE of Sec 12 T6N R25E. I've enclosed a map¹ to illustrate those areas. The map shows those locations as the black hatched rectangle, the small red strip (black hatching also crosses it), and the blue half pivot on the west side of Highway 93.

Ten of the twelve rights above will need to be split to complete the ownership change. The filing fee for ownership changes resulting in the division of a water right is \$100 per right. The \$25 fee for each right received with your application can be applied toward the split fees, resulting in an additional fee of \$750 needed to complete the ownership change. Please feel free to contact me at (208) 287-4949 or nick.vandyke@idwr.idaho.gov if you have any questions or would like to discuss this matter further.

Sincerely,

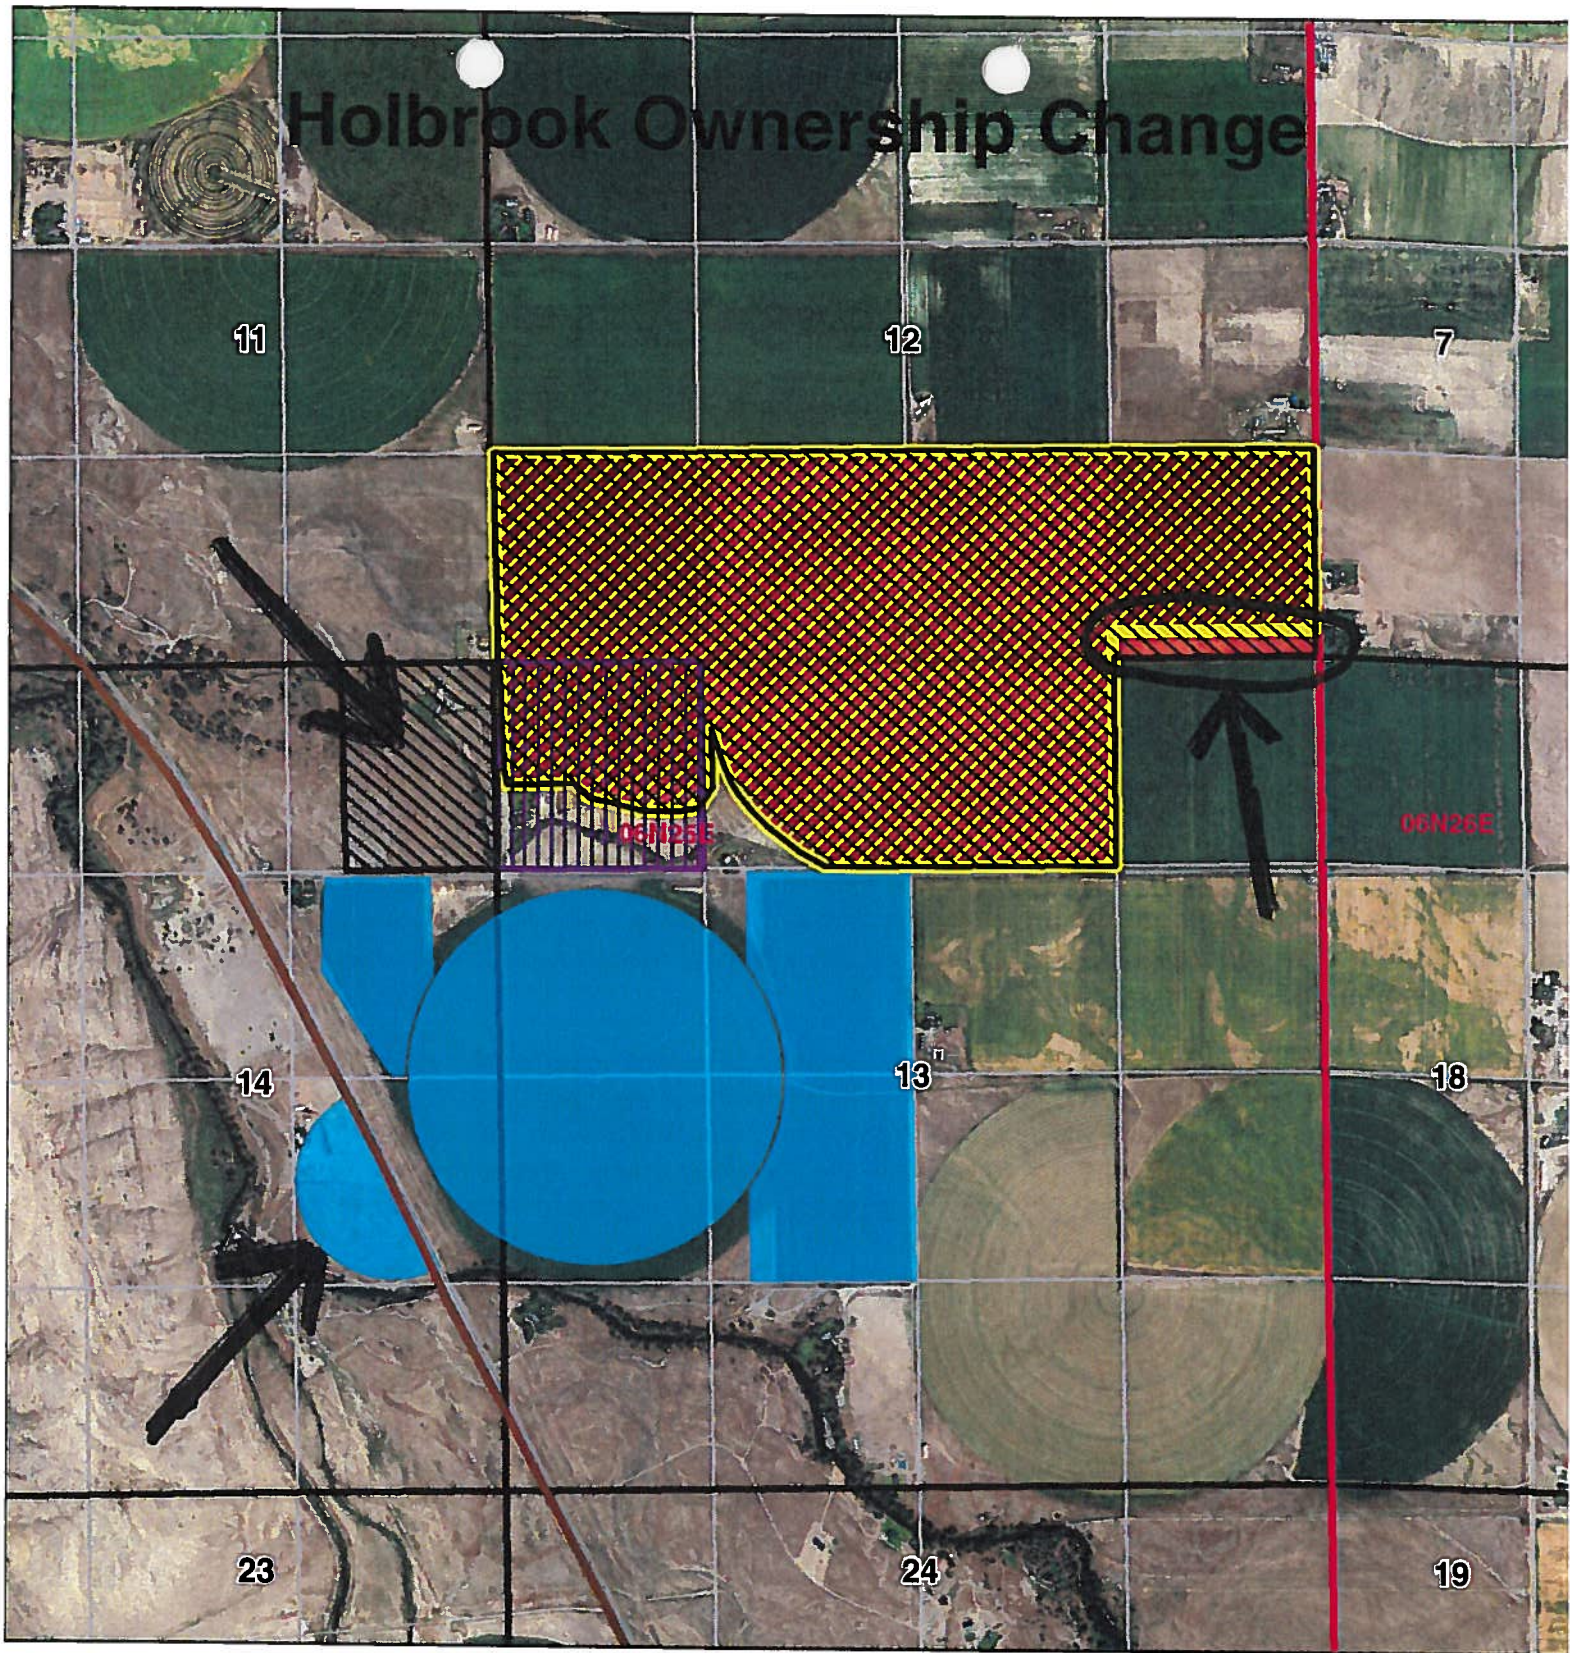

Nicholas Van Dyke
Sr. Water Resource Agent

Enclosure(s)

¹Note the legend on the map lists two items, Group A and Group B. Group A represents the place of use for Rights 34-39, 34-40, 34-41, and 34-10462. Group B represents the place of use for Rights 34-13751, 34-13753, 34-13755, 34-13757, and 34-13759.

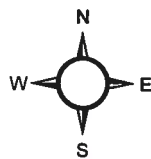

← This is a typo. Should be 10464. NVD 2/23/11
