Craig,

Shelley had actually warned me that this fee hike was coming down the pike, I simply forgot about it. The \$250 check went out in today's U.S. Mail to your attention.

Subject: Reinstatement of Permit 63-32259

Good Afternoon Ed,

I have had the opportunity to look through the packet of information you submitted on behalf of your client to reinstate lapsed permit 63-32259. I think things look good and I can move forward toward reinstating the permit. However, as of July 1, 2011, Idaho Code 42-218a was amended to include new requirements to reinstate a permit that has been lapsed over 60 days. Of those criteria, part (2)(c) includes a \$250 fee requirement.

I have attached the link to 42-218A for your review:

<http://www.legislature.idaho.gov/idstat/Title42/T42CH2SECT42-218a.htm>

Once we get the \$250 filing fee, then we can move forward. Sorry to hit you with this out of the blue.

If it would be better, I can send this information out in a formal letter and make sure First Security gets a copy. Let me know what you think.

Thanks Ed. Take it easy,

Craig L. Saxton
