RE: Change in Ownership for Water Right No. 65-17351

Dear Interested Parties:

The Department of Water Resources received a Notice of Change in Water Right Ownership on November 24, 2008. After reviewing the documents submitted, it was noted that additional would be needed to change this water right. A letter was sent to you on November 24, 2008 regarding this matter.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

A copy of the most recent deed with attached legal description and a survey or plat map are also required to change ownership of a water right. We are returning the Notice and its attachments, as we have not received the appropriate fees and information. A copy of your ownership change request will be kept in our files for reference.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data we will be able to review &/or complete the request for you.

If you have any questions regarding this matter, please call this office at (208) 334-2190.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" and last name "Hersley" clearly legible.
