Dear Lessor:

This letter is to update you on the status of your water right 25-14351 for irrigation in Bonneville County. This water right has been leased to the Bank in its entirety since June 5, 2007. **Your water right is considered leased into the Bank, and should remain unused, until you release it from the Bank.**

If you wish to leave your water right leased to the bank, and unused, you do not need to do anything. To release your water right from the bank, please visit the Department's website and complete the Request to Release form on the Forms page.
