Hi Laura,

I really need an email or something in writing from Mike stating these rights are to be excluded from the transfer since he is the one who signed the transfer.

Thanks,

Jana

The following water rights need to be excluded from transfer # 77316:

45-14307
45-14309
45-14311

The explanation for this is listed on Attachment 2A or there is a cover letter explaining the transfer.

Let me know if you have further questions.
