Hello Cherie,

Regarding your letter of August 29, 2011, I apologize for the delay in getting the signed amended amendment to your office. This was just delivered to us a few days ago. Our main mailing address for Teton Springs Golf & Casting Club has changed to 20 Headwaters Drive, Victor, ID 83455 and we no longer receive mail at 1 Teton Springs Parkway.

Attached is the signed amendment, please let me know if you need the original sent also or if this electronic copy is acceptable.

I see that Mr. Ablondi has also communicated with you about our desire to pursue 1.1 cfs, we look forward to your thoughts on that matter as well.

Thank you,

Jon Pinardi
