RE: Change in Ownership for Water Right No. 57-2165 & 57-2192

Dear Interested Parties:

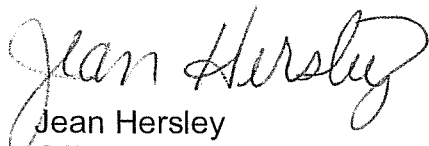

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership on April 21, 2010. After reviewing the documents submitted, an email was sent on April 22, 2010 requesting additional deeds or fees

We needed additional deeds as the ones you provided did not cover the entire water right. If additional deeds weren't available, additional fees were required as this would have been a split in the water right.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data and fees we will be able to review &/or complete the request for you.

If you have any questions regarding this matter, please call this office at (208) 334-2190.

Sincerely,

Jean Hersley
Office Specialist II
