Subject: Ownership change 57-2165 & 57-2192

Mr. Boone,

After further review on your request for an ownership change on the above mentioned water rights, it was determined that the deed you provided does not cover either right in the entirety.

Water Right 57-2192- Your deed covers parts of the SWSW and SESW $\frac{1}{4}$ $\frac{1}{4}$ and none of the NESW $\frac{1}{4}$ or NWSW $\frac{1}{4}$ in Township 02S, Range 04W Section 14.

Water Right 57-2165- Your deed covers all of the SWSW $\frac{1}{4}$ and only 5 acres of the SESW $\frac{1}{4}$ in Township 02S, Range 04W, Section 14.

In order for this ownership change to be completed, the Dept. needs to have additional deeds that cover the entire water right or additional funds as a division of the water right needs to occur. If we have to divide the water rights, the additional fee will be \$75 per water right or **\$150**.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please contact this office at 208-334-2190.

Thank you.
