Re: Review of Application to Lease a Water Right to the State Water Supply Bank

PURPOSE/NARRATIVE: On January 18, 2012, the Department received an application to extend the lease on 63-10393 for an additional five years with a slight modification. The new lease agreement is for 9 acres instead of 6 acres. No enlargement or injury is evident through the addition of the three acres to the lease. See my memo dated December 27, 2010, for the original analysis of this lease.
