Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department.

Additionally, as requested in your letter and Lease Extension Request Form received December 22, 2011, 63-33249 and 63-33255 will remain in the Water Supply Bank. The rights will automatically be released from the Bank on December 31, 2016, unless the rights are released earlier or the lease is extended. To release the right from the Bank or extend the lease period, please submit a written request to the Department prior to the release date.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
