Jeff,

Here is my first attempt as we discussed.

Note that I made the application record "active" and the permit record "see remarks" in the database. I completed data entry for the application using Mr. Isaacson's current address since the original is out of date. Please let us know if it is ok or make corrections.

After our phone discussion I presume you are waiving the re-advertisement fee. If this is not correct let us know and we will try to get it prior to re-advertising.

Thanks,

Allen
